BLUE MONSTER

Olga de Dios

Hello! My name is **Pink Monster**
and I'm going to tell you this story.

Once upon a time there was
a wonderful PLACE...

where the birds flew
and sang for joy,
the clouds changed colours
and even the stones smiled.

This was the birthplace of...

BLUE MONSTER

LOUDMOUTH

ORANGE MONSTER

HARRY

What makes Blue Monster different from the others?

And it was where they grew up.

LOUDMOUTH

You would hear his voice
all day long.

HARRY

He would lift all the stones
with his great strength.

ORANGE MONSTER

With his long legs
he would jump so high
that he would reach the sky.

From a very young age,
they felt as if they were THE BEST.

This is the story of a group of friends who grew up believing that they could play without thinking about the consequences of their actions.

Will they learn to have fun without harming their environment?

Blue Monster speaks to us about respect, living together and empathy.
